Re: Response of Mike's Metals, Incorporated to USEPA's March 21, 2011 104(e)
 Request For Information Concerning The Chemetco Facility in Madison County,
 Illinois

Dear Ms. Kerr:

This letter contains the response of Mike's Metals, Incorporated (Mike's Metals) to the March 21, 2011 104(e) Request For Information Concerning The Chemetco Facility in Madison County, Illinois.

INITIAL STATEMENT

Mike's Metals' sole involvement with Chemetco is that Mike's Metals sold recyclable non-ferrous scrap metal to Chemetco's warehouses in Chicago, Illinois between approximately 1994 and 2001. Mike's Metals never dealt with the Site in Madison County or with any Chemetco facility(ies) other than Chemetco's Chicago warehouses.

Each sale from Mike's Metals to Chemetco's Chicago warehouses had the following characteristics in common:

- Chemetco's Chicago warehouses always paid Mike's Metals for those metals at the fair, commodity-based price, based on the prevailing market conditions for the metals.
- Once the metals were delivered to and purchased by Chemetco's Chicago warehouses, Mike's Metals had no control over or information concerning the disposition of those metals.

104(E) INFORMATION REQUEST RESPONSE

Each numbered request is repeated below, followed by Mike's Metals' response in italics.

1. Provide the following information about your company ("Respondent"):

- (a) The complete and correct legal name of your company.

Mike's Metals, Incorporated.

- (b) The name(s) and address(es) of the President and the Chairman of the Board, or other presiding officer of the company.

Mike Amazzo is President and Lenard Mores is Vice-President of Mike's Metals. Mr. Amazzo and Mr. Mores are the only two officers of Mike's Metals.

For purposes of this matter, both Mr. Amazzo and Mr. Mores may be reached through their counsel, Mark Erzen, Mark D. Erzen, P.C., 321 North Clark, Fifth Floor, Chicago, Illinois 60654. The business address of Mike's Metals is 1412 West Chicago Avenue, East Chicago, Indiana 46312, and the mailing address of Mike's Metals is P.O. Box 512, Whiting, Indiana, 46394.

- (c) The state of incorporation of the company and the company's agents for service.

Mike's Metals is incorporated in the state of Indiana. Both of the above listed officers are agents for service.

- (d) The name(s) of all subsidiaries, affiliates, or parent companies to your company.

None.

- (e) The state of incorporation and agents for service of process in the state of incorporation.

The agents for service of process upon Mike's Metals are not corporations. See Response to Request 1(c) concerning the agents for service of process upon Mike's Metals in Indiana.

- (f) The status of all subsidiaries, affiliates, or parent companies to your company.

Not applicable.

2. Describe and provide any documents related to your company's business activities which resulted in sending material to Chemetco.

In response to this request, Mike's Metals encloses, as Attachment 1, copies of all known documents in Mike's Metals' possession or control relating to its dealings with Chemetco (other than documents supplied by USEPA as part of the current activities). These documents consist of copies of the check stubs that were provided to Mike's Metals by Chemetco's Chicago warehouses when Chemetco's Chicago warehouses paid Mike's Metals for scrap metal. Each check stub summarizes the type and quantity of scrap metal involved in the sale. No other documents were provided to Mike's Metals by Chemetco or Chemetco's Chicago warehouses, and Mike's Metals has not located any other responsive documents.

3. Describe and provide any documents related to your company's role at the Site, including what duties/involvement your company had at the Site.

Mike's Metals has never had any role, duties or involvement at the Site, and Mike's Metals does not have and has never had any documents relating to the Site other than those provided to it by USEPA.

4. If the nature or size of Respondent's activities in relation to Chemetco changed over time, describe those changes and the dates they occurred.

The relationship between Mike's Metals and Chemetco did not change over the time that Mike's Metals sold metal to Chemetco's Chicago warehouses, and Mike's Metals had no relationship(s) with Chemetco other than the sale of metal to Chemetco's Chicago warehouses.

5. For each type of waste or material used in Respondent's operations, describe and provide documents relating to Respondent's contracts, agreements, or other arrangements for its disposal, treatment, trading, or recycling with Chemetco, including but not limited to whether Respondent controlled where waste sent to Chemetco warehouses was ultimately processed/recycled.

Mike's Metals sole business activity was and is recycling non-ferrous metals. Mike's Metals obtains recyclable metals, sorts and aggregates those metals, and sells those metals to larger scrap metal dealers and recyclers such as Chemetco's Chicago warehouses (among others). Mike's Metals had no contracts, agreements (other than the check stubs contained in Attachment 1 which reflect sales) or arrangements with Chemetco. Mike's Metals had no information concerning, and had no control over, how or where Chemetco's Chicago warehouses processed or shipped the metal which it purchased from Mike's Metals, or when Chemetco or Chemetco's Chicago warehouses processed or shipped that metal.

6. If not already provided, specify the dates and circumstances when Respondent's waste or material was taken to the Site, and identify the companies or individuals who brought Respondent's waste/material to the Site. Provide any documents which support or memorialize your response.

As previously indicated, Mike's Metals sold metal to Chemetco's Chicago warehouses only, and Mike's Metals never took any material to the Site. Mike's Metals therefore has no knowledge of the dates and circumstances concerning what Chemetco may have done with the metals which it purchased from Mike's Metals, including whether or not those materials went to the Site.

7. Were transactions between your company and Chemetco and specifically the Site: 1) an outright sale; 2) subject to a written or verbal "tolling" agreement between the companies; or 3) reflected the "banking" of the transacted material in a metal account at the request of your company for return or other disposition at a later date?

All transactions between Mike's Metals and Chemetco's Chicago warehouses were outright sales of recyclable scrap metal from Mike's Metals to Chemetco's Chicago warehouses. No transactions, to Mike's Metals' knowledge, had anything to do with the Site.

8. Did your company have any influence over waste disposal or recycling activities at the Site? If so, how?

Mike's Metals had no influence over waste disposal or recycling activities at the Site.

9. Was any shipment of material sent to the Site by Respondent ever refused and/or returned? If so, describe this event in detail, including its cause and outcome.

Mike's Metals never sent any material, including scrap metal, to the Site. Mike's Metals never had a shipment of scrap metal refused, returned or rejected by Chemetco's Chicago warehouses. All transactions resulted in Chemetco's Chicago warehouses paying Mike's Metals for scrap metal sold to Chemetco's Chicago warehouses.

10. Describe in detail the types of material that you sent for recycling, processing, or disposal at the Site. In your response, please also give the generic name of each type of materials shipped to the Site [e.g., scrap metal (including scrap automobiles), batteries, electronics, scrap paper, scrap plastic or scrap textile, etc.].
 - (a) Identify whether the materials were delivered directly to the Site or were trans-shipped there from another intermediate delivery point. If applicable, describe each such delivery point.

Mike's Metals sold recyclable non-ferrous metal to Chemetco's Chicago warehouses only. Mike's Metals did not send anything to the Site. Mike's Metals has no knowledge concerning what happened from the point that Chemetco's Chicago warehouses took possession of the metal. The check stubs in Attachment 1 detail, to the extent known, the types of metals sold to Chemetco's Chicago warehouses.

Mike's Metals avers, and notes that the information on the check stubs corroborates, that Mike's Metals did not sell or deliver materials to the Site. Mike's Metals further avers, and notes that the information on the check stubs corroborates, that the metal that it sold to Chemetco's Chicago warehouses was scrap metal as defined in CERCLA.

- (b) State whether any of the material was ever tested by your company and if so, whether the substances exhibited any of the characteristics of a hazardous waste identified in 35 Illinois Administrative Code 721, Subpart C or 40 C.F.R. § 261, Subpart C.

Mike's Metals has never tested the scrap metal it sold for hazardous characteristics. To the best of its knowledge, Mike's Metals has never handled or sold scrap metals or any other materials that would be classified or characterized as hazardous.

- (c) Describe what was done to materials once they were brought to the Site, including any further processing of the materials.

Mike's Metals has no information as to what happened to the metals that it sold to Chemetco's Chicago warehouses subsequent to the sale. Mike's Metals therefore has no knowledge that any of the materials that it sold to Chemetco's Chicago warehouses were brought to the Site, or what was done to the materials once they were brought to the Site, if in fact they were brought to the Site.

- (d) Provide any additional information and all documents that you believe are related to the type, nature and characteristics of the materials you sent to the Site.

Mike's Metals did not send any materials to the Site, and has no information indicating that metals that it sold to Chemetco's Chicago warehouses were sent to the Site.

- (e) List the years in which your company sent materials to Chemetco and/or its broker(s) for recycling, processing, or disposal.

Mike's Metals sold only recyclable non-ferrous scrap metal to the Chemetco's Chicago warehouses. Mike's Metals believes it began selling scrap metal to Chemetco's Chicago warehouses as early as late 1994/early 1995 through 2001. Mike's Metals began operation in 1994.

11. For the following questions which relate to transactions involving scrap metals, provide the requested information, and also provide copies of any documents that contain any information that is related to the response:

- (a) Did a market exist for the scrap metal listed in your response to No.10 above? If so, describe the nature of such a market at the time of the transaction (possible uses, possible consumers, etc.) and the source of the commercial specification grade (e.g., Institute of Scrap Recycling Industries, Inc. (ISRI), Department of Defense, or wherever your company would find the grade published).

A market did exist for the metal that Mike's Metals sold to Chemetco's Chicago warehouses. Mike's Metals purchased a variety of non-ferrous metals from individuals, contractors, and commercial businesses on a cash basis, generally at their processing facility (then located in Hammond, Indiana). The non-ferrous scrap metal that Mike's Metals purchased primarily consisted of wide range of damaged, un-useable and obsolete consumer, commercial and industrial products. Mike's Metals processed the scrap metal by segregating and consolidating the metal into larger bulk quantities so that it could be sold to secondary buyers at a higher price than originally purchased. The fact that Mike's Metals was able to buy such metals, and the fact that Chemetco's Chicago warehouses and other secondary buyers were willing to pay Mike's Metals a fair market price for these materials, are evidence that a market existed. Mike's Metals is not certain what this request is seeking insofar as it asks for information concerning possible uses and possible consumers. The classification and identification of all the scrap metal that Mike's Metals sold to Chemetco, as established by Chemetco, is provided in Attachment 1.

- (b) What commercial specification grade did the scrap metal listed in your response to question No.10 meet? Identify/list the commercial specification grades that each scrap metal identified in No. 9 met.

Please refer to the attached check stubs for the grade that Chemetco assigned to the metals that Mike's Metals sold to Chemetco's Chicago warehouses. No scrap metal was identified in response to Request No. 9.

- (c) At the time of the transaction(s) what was the intended disposition of the scrap metal listed in your response to question No.10? Did this include burning as fuel, or for energy recovery, or incineration?

Mike's Metals had no "intent" concerning the disposition of the metal that is sold to Chemetco's Chicago warehouses. Mike's Metals' general understanding was that the scrap metals it sold to Chemetco's Chicago warehouses were to be recycled. Because all the materials were recyclable non-ferrous scrap metal and Mike's Metals was paid a fair market price, Mike's Metals had no reason to believe and was never informed that any of the materials were to be burned as fuel or for energy recovery or incineration. However, Mike's Metals was not informed what Chemetco's Chicago warehouses intended to do or actually did do with the metal.

- (d) After sale, transfer, delivery, recycling, or disposal, what portion of the scrap metal listed in your response to question No. 10 was to be made available for use as a feedstock for manufacturing of new saleable products? Explain how the portion identified in this answer was derived or calculated.

Chemetco never provided Mike's Metals with this information. Because all the materials Mike's Metals sold to Chemetco's Chicago warehouse were recyclable non-ferrous metals, Mike's Metals believes that any or all the scrap metal sold to Chemetco's Chicago warehouses could have been used for feedstock.

- (e) Could the scrap metal listed in your response to question No. 10 have been used as a replacement or substitute for a virgin raw material? If so, provide details.

Chemetco never provided Mike's Metals with this information. Because all the materials Mike's Metals sold to Chemetco's Chicago warehouses were recyclable non-ferrous metals, Mike's Metals believes that any or all the scrap metal sold to Chemetco's Chicago warehouses could have been used as a replacement or substitute for virgin raw material.

- (f) Could any products made from the scrap metal listed in your response to question No. 10 have been used as a replacement or substitute for a product made, in whole or in part, from a virgin raw material? If so, provide details.

Chemetco never provided Mike's Metals with this information. Because all the materials Mike's Metals sold to Chemetco's Chicago warehouse were recyclable non-ferrous metals, Mike's Metals believes that products made from that metal could have been used as a replacement or substitute for a product made, in whole or in part, from a virgin material.

- (g) Did your company melt the scrap metal listed in your response to question No. 10 before it was transported/delivered to the Site? If yes, describe the process used for melting the scrap metal.

Mike's Metals did not and does not have the capability of melting scrap metal, did not and does not operate or own any furnaces, smelters or similar devices capable of melting scrap metal, and did not melt any scrap before selling it to Chemetco's Chicago warehouses.

- (h) Describe the source of or the process that produced the materials sent to the Site.

Please refer to the Response to Question 11(a) concerning the source(s) of metals and the sorting and aggregating process involved in the metals which Mike's Metals sold to Chemetco's Chicago warehouses. Mike's Metals was a recycler who purchased, sorted, aggregated, and resold non-ferrous metals. Mike's Metals, as stated before, did not send any materials to the Site and does not know if any materials that it sold to the Chemetco Chicago warehouses were sent to the Site.

12. Did any of the scrap material sent to the Site contain other material(s) incident to or adhering to the scrap? If so, describe in detail.

Mike's Metals did not send or deliver any scrap metal to the Site. Mike's Metals does not know if Chemetco transferred scrap that Mike's Metals sold to the Chemetco's Chicago warehouses from Chemetco's Chicago warehouses to the Site. Mike's Metals does not know if the scrap that Mike's Metals sold to Chemetco's Chicago warehouses and was later sent to the Site by Chemetco (if any) was in the same state or condition as it was when Mike's Metals sold it to Chemetco's Chicago warehouses.

The scrap metal Mike's Metals sold to the warehouse was inspected by Chemetco representatives. Based on those inspections, the scrap metal was classified by Chemetco, and Mike's Metals was paid according to the classification. Certain groups or classifications of scrap metal are identified as such because there may be some materials incident to or adhering to the scrap. However, those materials were as result of normal

and regular use before the metals became scrap and, as evidenced by the classifications, did not disqualify any of the materials from being recyclable scrap metal.

13. Did any of the material sent to the Site contain wire or wiring? If so, was the wire's insulation first stripped before being shipped to or accepted at the Site, after being received at the Site, or was the wire not stripped?

Mike's Metals sold some bare and insulated wiring to Chemetco's Chicago warehouses. Mike's Metals does not know if these materials were subsequently delivered to the Site. If they were delivered to the Site, Mike's Metals does not know if the insulation was or was not stripped from the wire prior to the wire arriving at the Site.

14. Did the material shipped include drums or shipping containers? If so, specify the generators of the drums or shipping containers, the capacity of such drums or containers and whether such containers ever contained liquid of any sort. If so, specify the type of liquid and whether such liquids contained wastes of any kind.

The materials that Mike's Metals sold to the Chicago warehouse was mainly stored in heavy duty cardboard "Gaylord" boxes placed on wooden pallets. On rare occasions, some scrap metal may have been delivered in open top plastic, steel or cardboard drums. These drums were brought to Mike's Metals by customers with scrap inside the drums. These drums were always inspected for evidence of liquids or other waste products other than scrap metal. If there were any signs of waste liquids or materials in the drums, Mike's Metals would not accept them. Consequently, the containers used by Mike's Metals did not contain liquids. Mike's Metals does not know if any of the containers that were used to transport scrap metal to Chemetco's Chicago warehouses were delivered to the Site by Chemetco.

15. Describe all efforts (i.e., Site visits) taken by your company to determine what would be done with the scrap metal identified in your response to question No. 10.

Mike's Metals sold scrap metal only to Chemetco's Chicago warehouses. Mike's Metals had no knowledge concerning what happened after the sale of the scrap metal to Chemetco's Chicago warehouses was completed, and thus has no knowledge concerning what (if anything) was done with the scrap metal, or if the scrap metal was ever delivered to the Site.

Based upon the fact that Chemetco paid Mike's Metals fair market value for the scrap metal, Mike's Metals had no reason to suspect that the metals were not being recycled according to industry standards at the time. Mike's Metals sold to Chemetco's Chicago warehouses between late 1994/early 1995 and 2001. Mike's Metals only had experience and knowledge about the operations performed at the Chicago warehouse, and no reason to believe that Chemetco was not properly recycling the scrap metal which Mike's Metals sold to Chemetco.

16. For the following questions which relate to transactions involving electrical and electronic equipment (e.g., transformers, capacitors, white goods, computers, monitors, cables, circuit boards, or other electrical equipment), provide the requested information, and also provide copies of any documents that contain any information that is related to the response:

- (a) List an estimated number of shipments of electrical and electronic equipment your company sent to the Site on an annual basis and list the years. In this list, include the type and quantity, volume and weight of electrical and electronic equipment sent;

Mike's Metals has no records, documents or recollection suggesting or indicating that it sold electrical or electronic equipment as described above to Chemetco or to Chemetco's Chicago warehouses.

- (b) At the time of the transaction(s), what was the intended deposition of the electrical and electronic equipment listed in your response to question 15(a)? Did the intended disposition include burning as fuel or for energy recovery or incineration?

Mike's Metals has no records, documents or recollection suggesting or indicating that it sold electrical or electronic equipment as described above to Chemetco or to Chemetco's Chicago warehouses.

17. With respect to waste or materials sent to the Site, at the time of the transactions, specify the measures you took to determine the actual means of treatment, disposal, recycling, or other uses of the material. Provide information you had and any documents relating to the treatment, recycling and disposal practices of Chemetco at the Site. What assurances, if any, were you given by the owner/operator of the Site regarding the proper handling and ultimate disposition of the materials you sent there, as well as its compliance with applicable environmental laws? Include in your response any correspondence to and from Chemetco relating to this topic and dates the measures were taken or assurances were given.

Mike's Metals only sold recyclable scrap metal to the Chemetco's Chicago warehouses. Mike's Metals never sent waste or any other materials to the Site. Mike's Metals had and has no information (other than that supplied by USEPA as part of its recent activities) "relating to the treatment, recycling and disposal practices of Chemetco at the Site." This Request is, therefore, not applicable to Mike's Metals. See also the Response to Request 15.

18. What efforts and when, if any, did you take to investigate the nature of the operations conducted at the Site and the environmental compliance of the Site prior to selling, transferring, delivering disposing of, trading, or arranging for the treatment, recycling or disposal of any materials?

Mike's Metals only sold recyclable scrap metal to the Chemetco's Chicago warehouses. Mike's Metals never sent waste or any other materials to the Site. Mike's Metals had and has no information (other than that supplied by USEPA as part of its recent activities) "relating to the treatment, recycling and disposal practices of Chemetco at the Site." This Request is, therefore, not applicable to Mike's Metals. See also the Response to Request 15.

19. Provide all information in your possession that shows that you were in compliance with applicable federal environmental regulations or standards regarding the recycling of materials, particularly Section 127 of CERCLA, 42 U.S.C. § 9627, sent to the Chemetco Site.

Mike's Metals is not aware that it is not or was not in compliance with any federal environmental regulations or standards regarding the recycling of materials which have been promulgated and which are applicable to its operations. To the extent that this Request indirectly asks if Mike's Metals believes it is exempt from liability under Sections 107(a)(3) and (a)(4) of CERCLA based upon (among other things) Section 127 of CERCLA, Mike's Metals believes that it is. This belief is based upon the information set forth above and its observations of Chemetco's Chicago warehouses, which were the only facilities that Mike's Metals dealt with.

20. Provide all information in your possession that shows that you were in compliance with applicable federal environmental regulations or standards regarding scrap metal promulgated under Resource Conservation and Recovery Act (RCRA).

Mike's Metals is not aware that it is not or was not in compliance with any federal environmental regulations or standards regarding the recycling of materials which have been promulgated and which are applicable to its operations, including regulations or standards promulgated under the Resource Conservation and Recovery Act (RCRA).

21. Provide all RCRA Identification Numbers issued to Respondent by EPA or a state for Respondent's operations.

Mike's Metals does not have a RCRA identification number.

22. List all federal and state environmental laws and regulations under which Respondent has reported to federal or state governments, including but not limited to: Toxic Substances Control Act, 15 U.S.C. Sections 2601 *et seq.*, (TSCA); Emergency Planning and Community Right-to-Know Act, 42 U.S.C. Sections 1101 *et seq.*, (EPCRA); and the Clean Water Act (the Water Pollution Prevention and Control Act), 33 U.S.C. Sections 1251 *et seq.*

*Mike's Metals is not aware of any reporting requirements that are or were applicable to its operations imposed by any federal and state environmental laws and regulations, including but not limited to: Toxic Substances Control Act, 15 U.S.C. Sections 2601 *et seq.* (TSCA) Emergency Planning and Community Right-to-Know Act, 42 U.S.C. Sections 1101 *et seq.* (EPCRA); and the Clean Water Act (the Water Pollution Prevention and Control Act), 33 U.S.C. Sections 1251 *et seq.**

23. Identify the federal and state offices to which such information was sent. State the years during which such information was sent filed.

See Response to Request No. 22.

24. If you have reason to believe that there may be persons able to provide a more detailed or complete response to any question contained herein or who may be able to provide additional responsive documents, identify such persons and the additional information or documents that they may have.

Mike's Metals cannot at this time identify any such persons.

25. If any of the documents solicited in this information request are no longer available, please indicate the reason why they are no longer available. For each and every question contained herein, if information or documents responsive to this Information Request are not in your possession custody or control, then identify the persons from whom such information or documents may be obtained. If the records were destroyed, provide us with the following:

- (a) the document retention policy between 1970 and 2001;

Mike's Metals has no document retention policy other than compliance with tax return retention requirements. Mike's Metals began operation in 1994, and there are therefore no documents prior to that time.

- (b) a description of how the records were destroyed (burned, trashed, etc.) and the approximate date of destruction;

As noted, there is no document retention policy. If documents were destroyed, it was on an ad hoc basis, and there is no information available concerning the destruction.

- (c) a description of the type of information that would have been contained in the documents;

See Response to Request 25(a) and (b).

- (d) the name, job title and most current address known by you of the person(s) who would have produced these documents; the person(s) who would have been responsible for the retention of these documents; the person(s) who would have been responsible for the destruction of these documents; and the person(s) who had and/or still may have the originals or copies of these documents; and

See Response to Request 25(a) and (b). Mr. Amazzo and Mr. Mores are the persons most knowledgeable concerning Mike's Metals' documents.

- (e) the names and most current address of any person(s) who may possess documents relevant to this inquiry.

See Response to Request 25(a) and (b). Mr. Amazzo and Mr. Mores are the persons most knowledgeable concerning Mike's Metals' documents.

26. Please state the name, title and address of each individual who assisted or was consulted in the preparation of the response to this information request.

In addition to Mr. Amazzo and Mr. Lenard Mores, Robert Mores (brother to Mr. Mores) and Mark Erzen, Mike's Metals' counsel, assisted in preparing the responses to this information request. The addresses of Mr. Amazzo, Mr. Lenard Mores and Mr. Erzen were previously provided in Response to Question 1(b). Mr. Robert Mores address is 7674 E. 157th Avenue, Hebron, IN 46341.

If you have any questions, please contact me.

Sincerely,

Mark Erzen
